

Community and recreation

Theme Focus 2

What is currently *not* available?

Sport

Currently there are no facilities or coaching and training for activities such as football, netball, cricket and rugby

Open spaces

Safe, communal play areas for younger children are limited

Facilities and amenities

There is potential for greater and more diverse use of the Village Memorial Hall in particular making better and greater use of the latest technology, e.g. broadband

There is a need for more Good Neighbour support groups

Infrastructure

There is no Post Office

The Parish lacks a good public transport service

Some areas of the Parish are still in need of a more efficient broadband service

The village would benefit from an enhanced up-to-date Parish website

Footpaths and cycle-ways need to be better maintained

There is a need for Improved access to medical facilities via local transport and community volunteers

The community would benefit from Improved care facilities

Education provision, with necessary transport help, for older children and adults is limited.
